Hey Lovely People,

I feel like I first need to apologise to you all for not keeping you informed with what was happening last year. I know that I haven't been consistent with you, but that's all going to change this year as I have now stepped up and become an academy with these bunch of nutters!

I really feel like God isn't finished with me yet, which is why I have decided to do a second year with Youth For Christ.

By doing a second year, I know God is going to do amazing work in and through me and take me out of my comfort zone even more than he has. So it's going to be an interesting year. However I wouldn't have been able to do any of this amazing work without God but also without the love and support that you have shown and given me. Just knowing that back home I have so much support and love is amazing. I especially want to thank those at St John's Community Church who are personally supporting me (you know who you are!) but also the whole church community because without your financial support, I wouldn't have been able to go and spread the good news of the gospel to young people around the UK.

In addition to this, I still have £1485 to raise for the first year and £3600 for the second year. I know and trust that God has already taken care of this but if you feel that you would be able to contribute at all then your contribution would be greatly appreciated. Even if it's a one off gift, every little helps. With this money I am able to tour around the UK spreading the good news of the gospel to young people in schools and youth clubs.

However if you feel that you are not able to contribute financially, then prayer for the team overall would be greatly appreciated. We will be starting touring soon so please pray that the missions go well and that we are well received in the schools.

Here is the link to my personal page where you can donate if you feel up to it?
