

Preparing The Way

1. What did you want to be when you grew up?

What level of expectations would you say were placed on you as a child, & how did you respond to these?

2. What's your understanding of what it means to be a 'priest'?

What do you think it means for us to be a 'holy priesthood', & how might this understanding shape the way we function as a church or community?

3. What do you think John would have to say about church life these days?

How might we take a lead from John in how we operate as a community post-lockdown?

4. Who would you say are the 'prophets' of our day who Jesus would affirm?
