

Your privacy is important to us, & we want to communicate with church regulars in a way which has their consent, & which is in line with UK law on data protection. As a result of a change in UK law, we now need your consent for how we contact you.

In recent years we have produced a paper-only 'Church Directory', which includes people's names, addresses & phone numbers, & copies are given out to church regulars. We will now also need your consent for your details to be included in this Church Directory and be distributed to others in the church.

Please indicate in the tick boxes & by signing your name your preference for whether/how we can contact you. In addition, please indicate if you consent to your details being included in the paper-only Church Directory, a copy of which will be circulated to church regulars.

Please fill in the contact details you want us to use to communicate with you:

Where you do not grant consent we will not be able to use your personal data (so for example we may not be able to let you know about forthcoming services and events); except in certain limited situations, such as where required to do so by law or to protect members of the public from serious harm. You can find out more about how we use your data from our 'Data Privacy Notice' which is available from our church website ('What's On' page) or from the Church Office.
