

Thirst Aid

1. What item of technology in your home are you most grateful for, & why?

2. How important do you think it is to explore the historical or cultural background to Bible stories, & why?

To what extent do you think it's important that we're able to understand & engage with our own culture in order to live out a life of faith?

3. What would you say you're thirsty for in life at the moment?

To what extent is this thirst connected to the pandemic, or has it been something you've been aware of for some time?

What do you imagine Jesus would say or do for you if you came to him with this need?

4. Have you generally felt more or less able to offer loving care to people during the pandemic?

What fresh or innovative ways might you be able to offer God's love to people this week?
