

## Relational Prayer

1. What's your most common way to address God?

To what extent do you feel comfortable in addressing God as 'Mother', & why?

2. What do you make of this idea that our spirits may be 'bigger' than our bodies?

Have you had experiences in life which would seem to endorse this idea?

What might the implications of this idea be for the incarnation – the physical presence of Jesus?

3. How would you describe the difference that other people praying for you has made in your life?

Perhaps try to explain in your own words how you think this kind of prayer works...

4. What would you say makes for a 'prayerful' conversation?

What do you think Paul had in mind when he said 'pray continually' (1 Thessalonians 5:17)?

What do make of the idea of being a 'living prayer', & how might this shape the way we interact with those around us?
