

## Incarnation

1. What's your favourite way to exercise?

If you could perform at an elite level in any sport, which would it be & why?

2. In what ways has Jesus' character & conduct realigned your understanding of who God is?

What are some of the difficulties we might face in aligning our view of God with Jesus?

3. What do you make of Jesus' statement, that the disciples had the ability to forgive & withhold forgiveness?

To what extent do you agree this same authority now applies to us?

What role might the Holy Spirit play in this process of forgiveness?

4. How do you understand the idea that we are 'the body of Christ' (1 Corinthians 12:27)?

Do agree with Ronald Rolheiser's assertion that what Jesus did for us, we can do for each other? (Perhaps see John 14:12-14)

How might the scars in our lives be used by God to help both ourselves & others?

5. What are some of the practical implications for how we live as a church &/or a community if we are indeed the body of Christ?
